Bayou has arrived at Dennis Conner's North Cove and is docked in slip S2.

She is 122 feet in length with a beautiful blue hull. Bayou completed her trip up from Florida in 3 days rather than usual 4. "Must have been a good push from the Gulf Stream," reported the captain.

For the past 2 years, Bayou has stopped by North Cove. Last summer, her visit was part of a whirlwind tour, visiting 81 ports in 93 days. This year, she expects to spend the month of August in Maine.

Bayou's many areas of distinction includes a female crew who is considered a top fisherman and was recently written up in some magazines for hooking 3 sailfish and 1 blue marlin in a single tournament!
