The 165' Perini Navi **Perseus** pulled into Dennis Conner's North Cove for some New York City entertaining this week.

She was docked in slip N1. After 4 days and two harbor trips in fabulous weather, Perseus headed back on her way today to the next stop.

Have you made your New York City trip this summer? When you do, the friendly staff at North Cove will be here to catch your lines and roll out the red carpet.

Perseus is the second stunning Perini Navi to visit North Cove this summer. Over the July 4th holiday, we were visited by Klosters.

What a great joy for members of the community to be able to see these beautiful yachts.

Welcome to summer.
