The **Nantucket Lightship** has arrived at Dennis Conner's North Cove and is now docked in slip N1.

At 128 feet with a high bright red freeboard the Lightship is bringing energy and excitement to the marina for the winter season.

This Lightship has been totally restored and the interior is converted into elegant conference, dining, party and living space. This could be the perfect venue for a holiday party or a special birthday or anniversary. You can see pictures at www.nantucketlightship.com.

If you would like to know more about booking events onboard, you are invited down for an **Open House** on Thursday, October 23 from 6 to 8 p.m.

One thing is certain now that the Nantucket Lightship is docked inside North Cove, the winter season will be more cheerful and colorful than ever before. Maybe it will be a great year to do "Harbor Lights" again!
