Sailing vessel **Hound** continues her annual tradition of stopping by Dennis Conner's North Cove.

Hound is a 60 foot aluminum yacht built in 1970. Her lines are considered near perfect for the time period and she is a pleasing sight everywhere she sails.

She spends her summers in the northeast and then heads down to the Caribbean each winter.

Currently, she is in the New York Harbor area and will spend a few weeks sailing the Hudson River and nearby waters.

Hound is just one of many boats which make an annual stop at North Cove (before North Cove was built, she used to stop at the South Street Seaport).

North Cove provides yachts with a friendly welcome. We are your gateway to New York City. This is where you can find the best steak, the best wines, the best art and the best culture before you head off on a voyage. And recently, a Whole Foods Supermarket opened just 3 blocks from North Cove so now you can also get top quality organic provisioning nearby.

We hope you will put North Cove on your schedule and stand by ready to catch your lines!
